NEW PARTNERSHIP 🤝

Diverse Supply Solutions (DSS) is pleased to announce that we have recently completed a distribution partnership agreement with OSI Plastics! Whether you are in or serving the Power Utilities, Department of Transportation (DOTs), Telecommunications, or the CATV Industries, DSS through OSI Plastics can support your HDPE Conduit needs such as Smoothwall Conduit and Innerduct, Micro Duct, to Corrugated Conduit, just to name a few.

OSI PLASTICS, formerly known as the Plastic Division of Ohio Steel Industries, was established in 1975 and is a recognized leader in the industry as a quality Pipe & Custom Plastic Profile Extrusion organization. As an ISO 9001:2015 Company, OSI Plastics is continually in search of and undergoing a process of continuous improvement.

Don't hesitate, give us a call!
