OLD WORN OUT SIGN

REFURBISHED SIGNS

## YOUR OLD ALUMINUM SIGNS HAVE VALUE!

The refurbishing process consists of completely removing the sheeting and its adhesive without any damage to the aluminum blank. Our refurbishing process does not use abrasive or chemicals that would alter the thickness or remove the protective coating of the aluminum blank. Our refurbishing process is environmentally friendly and 100% green. All refurbished products are 100% covered with a full manufacturer's warranty.

## REFURBISHING OPTIONS

- **REFURBISH YOUR OLD SIGNS**  
Why repurchase aluminum you already own?
- **PURCHASE OUR REFURBISHED REGULATORY SIGNS**  
We also supply finished signs on our Refurbished aluminum
- **IF YOU ARE OVER STOCKED WITH MORE ALUMINUM THAN YOU NEED, IT STILL HAS VALUE!**
